Product # : EK8G084021 **Quantity Per Package : 1000** **Availability : In Stock**

Price : $46.56

DESCRIPTIONS :
TufR Linear Low Density Polyethylene LLDPE bags provide extra strength and puncture resistance compared to Low Density bags of the same gauge Because of this it is often possible to use a lighter gauge TufR bag to do the job of a heavier gauge LDPE bag which saves money and helps to reduce the environmental impact TufR bags are made from virgin materials so they comply with USDA and FDA requirements for use in food applications Gusseted bags feature creased sides that expand to accommodate bulky items
