DESCRIPTIONS :

Minimize cross-contamination with Cut-N-Carry® cutting boards from San Jamar. The preferred choice of chefs throughout the world, Cut-N-Carry® cutting boards have a patented Food Safety Hook designed to prevent cross-contamination from hands and clothing while carrying, and provide a safe and sanitary method for drying and storage. Cut-N-Carry® boards are made from a premium co-polymer material that is extremely durable yet gentle on knives. NSF Certified Cut-N-Carry® boards are designed to stand up to continual commercial dishwashing and will not warp.
