Availability : In Stock

Price : \$99.12

DESCRIPTIONS :

High molecular weight, high density film makes these bags strong and durable. Plastronic® T-Shirt Bags are embossed for easy opening, and are conveniently packaged in a low cube dispenser carton that's easy to use at the retail counter and stores easily on shelves. These bags are made with a controlled-life additive formulation that enables them to break down in the presence of sunlight, heat, moisture, and outdoor elements, but still allows them to be recycled with regular HDPE material. Seven colors are available to fit your particular requirement: Blue, Chocolate, Magenta, Orange, Red, White, and Yellow.
