00070363732382

Product # : UNS8003

Quantity Per Package : 1

Availability : In Stock

Price : \$313.20

DESCRIPTIONS :

Patented, mildew-resistant DuPont® material is designed to meet clean room (Class 1000) applications for lint reduction. Ideal for cleanup of foodservice areas, hospitals and oil and hazardous chemical spills. 100% recycled, cotton/synthetic blend fibers are interlocked for strength, launderability and less linting. Fibertac-processed cut-end mops last three times longer than comparable cut-end mops. Durable, double-sewn tailband.
