DESCRIPTIONS :

BigFold Z towels have a decorative emboss that shouts quality, hand-performance, and hand comfort. This towel's unique fold allows for reliable, touchless dispensing of one fully-opened, absorbent towel, which reduces the number of towels used as well as the risk of cross-contamination. The 8" BigFold Z towel fits into existing C-Fold and multifold dispensers with the use of dispenser assistance device #50470 to provide a premium, cost-saving substitute for C-Fold towels. BigFold Z outperforms C-Fold towels by reducing waste and decreasing costs for an economical solution you can count on.
