Price : \$48.11

DESCRIPTIONS :

Delwrap is a 35 pound 57 GSM bleached kraft sheet that Norpak wet waxes on both sides with 15 pounds 24 GSM of a specific wet wax formula. This process creates a 50 pound 80 GSM sheet and imparts a high gloss water resistance to the product, thus making Delwrap an excellent packaging material for refrigerated food products such as sandwiches, vegetables, poultry, fish, steaks, and meat. It is also widely used in the candy industry as dipping paper or as a tray liner.
