DESCRIPTIONS :

Tork Advanced Xpressnap® system dramatically reduces napkin usage. Its one-at-a-time napkin dispensing design ensures that patrons use fewer napkins and touch only the napkin they use improving personnel hygiene. Plus, one-at-a-time dispensing helps decrease consumption, so you'll reduce the number of cases you need to store. Xpressnap napkins are larger than major competitor interfolded napkins offering strength, absorbency and quality to users. One napkin-at-a-time dispensing provides up to a 25% reduction in napkin usage. Smaller than standard napkin cases offers storage savings of up to 50%. Inner bag packaging ensures superior product quality while protecting unused napkins. This product contains 100% recycled fibers.
