DESCRIPTIONS :

The EcoStorm Touchless High Speed Hand Dryer stainless steel with a Brushed Steel finish actually dries your hands in 10-15 seconds. The touchless automatic hand dryer shuts off when you remove your hands. Power cuts off automatically in case of irregular use over 60 seconds with thermal protection cut off at 282 degrees Fahrenheit. This environmentally friendly unit is manufactured with all recyclable materials leaving a small carbon footprint and operates at only 1000 watts. The EcoStorm has over 75% cost savings versus a conventional hand dryer and a 97% cost savings versus paper towels and an average cost of 0.0025 cents per use. The unit features a one-piece steel cover with 2 vandal proof lock screws and key wrench. Unit has a 3-year warranty against manufacturer defects. Dryer must be installed by a certified electrician and must have a dedicated line for warranty to be valid. Dryer delivers 598 CFM MAX air speed 201 MPH Sound Level 75 / 1 dB motor type 3/4HP 500 W Brush type dual ball bearings 55 AMPS heating element 500 W air output temperature 131 degrees Fahrenheit ambient temperature 77 degrees Fahrenheit operates at 1000 W Isolation Class 1 220/240 Volts. Instructions and mounting template included with every unit.
