Price : \$77.22

### DESCRIPTIONS :

This hospital disinfectant with a phenol-based formula can disinfect HIV, TB, Herpes I and II, as well as the hospital trio, and control residual mold and mildew up to seven days on hard surfaces, 28 days on fabrics. After cleaning, formula leaves a fresh, clean scent. Great for performing powerful disinfecting on a wide range of surfaces such as refuse cans, toilet seats, telephones and door knobs. Features a 360 degree valve to spray formula in any direction even upside down.
