DESCRIPTIONS :

All Concentrated Laundry Detergent is the ideal product for tackling large loads of laundry. This top performing laundry detergent is concentrated, so every load of wash costs less than other name brand detergents. The high efficiency formula in All contains effective stain lifters to safely remove even the most stubborn dirt and set-in stains. This laundry detergent is suitable for use in front-load and top-load washing machines and is effective in all water temperatures. Environmentally friendly and biodegradable, All laundry detergent contains no phosphorous. All Concentrated Laundry Detergent comes packaged in a 50-lb. bag, ideal for use in hospitals, nursing homes and any other facility that handles large amounts of laundry on a daily basis
