DESCRIPTIONS :

These paper towels from Atlas Paper Mills are strong and absorbent with no added inks, dyes or fragrances. Containing a minimum of 35% post-consumer and 100% total recovered material, these Green Heritage roll towels meet the Green Seal environment standard for bleaching, de-inking and packaging. The Green Seal certification mark ensures that these towels are a green product that is better for the environment and your overall health. In addition to being eco-friendly, these double-embossed towels provide the absorbency and strength you need in a paper towel, while the perforations simplify use. When you choose Atlas Green Heritage Paper Towels, you are making a choice to keep the planet healthy while keeping your cleaning tasks simple. Stock up today!
