DESCRIPTIONS :

Unger® Smart fit water wands have an innovative universal socket that accepts a variety of standard handles, from 15/16-in. to 1 1/8-in. The extra strong frame outlasts other floor squeegees. The easy flush and rinse design of the squeegee reduces the buildup of harmful bacteria buildup. The twin rubber foam blades are oil-resistant and help take care of messes swiftly and efficiently. The custom color coding chip system by zone also helps reduce cross-contamination.
