DESCRIPTIONS :

A unique set of cleaning tools designed to make floor cleaning and disinfecting faster, easier and safer. Eliminates need for mop and bucket with built-in reservoir and cleaner-on-demand dispenser. Reduces chemical waste by up to 80 percent and slashes cleaning time by up to 50 percent versus mop and bucket. Without wringer or bucket, mop is light and portable enough to add easily to cleaning carts. Viewing window enables you to easily tell when the cleaner reservoir in the handle is filled. Tool is safe for use with general cleaners or disinfectant cleaner with a pH in the range of 7 to 10. Swivel head delivers easy maneuvering for effective baseboard cleaning. Solid vinyl grips are easy to clean and disinfect. Constructed of lightweight anodized aluminum for durability and corrosion resistance. Weighs 30 oz. empty and 39 oz. filled.
