DESCRIPTIONS :

Just because you need a vacuum cleaner for commercial use doesn't mean you can't have a lightweight model. This vacuum cleaner weighs just under 14 pounds and provides a 12-inch cleaning path, making it ideal for users covering a wide area on multiple floor levels. Utilizes the Micron Filter® System with a double walled bag and two filters, capable of retaining up to 99% of pollens and dust--great for the hospitality industry where high standards of cleanliness need to be maintained. The 6.5-amp, dual motor system can clean both carpets and bare floors with ease, while the automatic carpet height adjustment and dual-edge cleaning offer a range of cleaning options. Handle conveniently folds down to 28 1/2" for easy, hassle-free storage. On-board tools include: extension hose, wand/crevice tool and dust/upholstery brush. The three position on/off switch is located near handle for convenience and easy access.
