DESCRIPTIONS :

Don't be intimidated by big messes and nasty spills. This backpack vacuum cleaner is capable of handling even the nastiest spills, and can do so at the 69 dB rating for whisper-quiet operation. The convenient, lightweight unit is only 11.5 lb., great for moving around large offices and work sites. Features four-stage filtration and a 1.5-gallon dirt capacity for effective and efficient cleaning. Vacuum cleaner includes a multitude of attachments such as: telescopic chrome steel wands, floor tool, deluxe floor and wall brush, dusting brush, crevice tool, 5-ft. crush-proof hose and upholstery tool--all of which make it easy to clean a variety of surfaces and hard-to-reach places. The ergonomically designed back support allows you to effectively and efficiently carry cleaner around work site.
