### DESCRIPTIONS :

North River natural hand towels, made from 100% recycled fiber, of which a minimum of 80% is post-consumer material, are the most environmentally responsible towels available on the market. North River's third party certifications include Green Seal, EcoLogo and Processed Chlorine Free. Moreover, 100% of the electricity used for production is offset with Green-e certified renewable wind energy. North River towels combine enhanced performance with green benefits.
