DESCRIPTIONS :

Compact® coreless bath tissue is the answer to your core needs. Specifically designed to increase tissue capacity, Compact allows you to convert existing dispensers with the use of specially designed dispenser spindles. Up to twice the capacity means less maintenance intervals and reduced risk of product run-outs for improved patron satisfaction. Compact's unique packaging reduces inventory space required and makes storage and retrieval of product for refill much easier verses standard tissue in large corrugated boxes. This cost-effective coreless tissue will satisfy all of your customer and employee needs. Compact® offers the comfort of 2-ply softness with reliable performance you can count on. (Roll diameter 4.75")
