DESCRIPTIONS :

Preference® high quality, high capacity 1000' white hardwound towels let you offer your customers quality and reliable performance while keeping costs under control. Designed to fit into a wide range of universal hardwound roll towel dispensers, the high capacity 1000' rolls with 25% more towel than 800' rolls make these towels the preferred choice for high traffic washrooms in government and public facilities, office buildings, foodservice facilities, entertainment venues (stadiums, arenas, casinos) and lodging.
