DESCRIPTIONS :

WYPALL* X90 Cloths in our BRAG* Box format. Our highest performing wiper, provides 75% more oil absorption and 35% more water absorption. These super-soft wipers are ideal for heavy wiping, prepping surfaces with solvents and cleaning metal shavings. You can achieve up to 35% less product waste versus other industrial wiping solutions and we guarantee 20% savings overall. Moreover, our innovative dispensing solutions are portable, so wipers can be taken to where they are needed.
