### DESCRIPTIONS :

A40 apparel provides excellent liquid and particle protection for workers on the go. Each coverall is individually wrapped to preserve garment until use. Passes ASTM F1670 testing for penetration of blood & body fluids. Breathable, nearly lint-free microporous film-laminate acts as a better liquid and particulate barrier than Tyvek. Meets ANSI/ISEA 101-1996 sizing standard. Typical uses include: fiberglass manufacturing, tank cleaning, utilities, liquid handling, pressure washing and maintenance/general manufacturing.
