DESCRIPTIONS :

Secure keys from equipment while it is being repaired, keeping keys from each lockout point in a designated lock box. Each authorized employee places a personal lock onto the box, removing them only when repairs are complete. Accommodates up to 12 workers for extra safety. Exclusive Latch Tight™ feature ensures that keys cannot be released until the final lock is removed. Easy-to-grip, ergonomic handle makes lock box simple and easy to transport. Multilingual lock-out message in English, Spanish and French communicates to all workers.
