Product # : KKPKB20000

Quantity Per Package : 1

Availability : In Stock

Price : \$499.50

DESCRIPTIONS :

Microban antimicrobial protection embedded into the station's surface helps reduce the spread of germs. Extra-wide surface provides ample space. Smooth molded bed with belts safely cradles infants and toddlers. Universal instruction graphics and safety messages in six languages plus Braille help ensure proper use. Liner dispensing slots are mounted at the perfect height. Concealed pneumatic cylinder and metal chassis ensure reliable operation and sturdy mounting.
